

## THREE LITTLE PIGS

- 1     Cheerio, off we go,  
       Walking down the long, long road.  
       Cheerio, off we go,  
       Three little pigs are we,  
       Three little pigs are we.
  
- 2     Cheerio, off we go,  
       Where are we going? We don't know.  
       Cheerio, off we go,  
       Three little pigs are we,  
       Three little pigs are we.
  
- 3     Cheerio, off we go,  
       Curly tails all in a row.  
       Cheerio, off we go,  
       Three little pigs are we,  
       Three little pigs are we.
