

SPLOSH!

- 1 Splosh, kerplosh, with a mighty splash,
In went the troll, he was gone in a flash!
The billy goats skipped into the field
To eat the green, green grass.
- 2 Splosh, kerplosh, in he went,
Off down the river he was sent.
The billy goats skipped into the field
To eat the green, green grass.
- 3 Splosh, kerplosh and that was the end.
The troll was never seen again.
The billy goats skipped into the field
To eat the green, green grass,
To eat the green, green grass.
