## PERFORMANCE LICENCES

Don't forget to let your schools and teachers know that it is a requirement to purchase a performance licence from the publisher for musical works involving drama, movement, narratives or spoken dialogue, when performed to anyone other than staff and pupils.

These can be obtained using the form in the back of the book or by purchasing an Instant Performance Licence at the time of purchase from Customer Services on 01932 232250 or online.

Our performance licences permit the holder to:

- Perform the named musical on or between the dates specified
- Reproduce the song lyrics on printed paper, e.g. for programmes
- Photocopy the script for learning purposes
- Make up to two photocopies of the music score

Copyright regulations and licence requirements apply even if it is a "free" performance.

We would just like to thank all of you for your wonderful support of the Red Nose Day 2009 Schools' Song – **Doing Something Funny!**
