The Newsletter

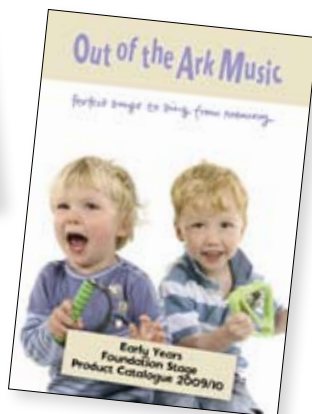

No.6 Autumn 2009

Welcome to **s!ng**, the sixth of our newsletters to advisors and music educators. We hope you are refreshed after the summer break. This autumn we have 5 new titles all with a Christmas theme, so there is something for everyone to enjoy and perform!

What Can We Do To Help Music Services And Advisors?

- If you are planning an event/conference or INSET session and would like us to attend so that teachers can look at all the different titles available, we would be willing to come along and support you if at all possible.
- We can send catalogues and sampler CDs for your teachers at any sessions you run.
- All music advisors automatically receive a 30% discount and free postage & packing on any purchases made by their service.
- We can arrange discounts for purchases made by schools attending your training sessions in which you incorporate our products. This would be either through a bulk purchase or by a pre-arranged discount code for participating schools.

This year we have launched two catalogues. Our regular catalogue and a **NEW Early Years catalogue** for nursery schools and reception classes, so hopefully it will be easier for teachers to find products for their age group.

We still have our full catalogue with over 70 titles which will be sent to music co-ordinators in schools. It includes an article by **Helen Johnson** called *Just Sing!* about the benefits of singing with access to a free downloadable resource, a Words on Screen™ version of *Just Sing!* from *Songs for EVERY Singing School*.

Words on Screen™ allows the words to be projected onto any screen or whiteboard and synchronises with the music as it plays.

Take a look at www.outoftheark.com/resources to see the article and download the song *Just Sing!*.

Come and see us at: TESS EDUCATION 2009 London Olympia, 2nd-3rd October.
