

## BLACK AND BLUE

- 1 Black and blue, black and blue,  
Tossing and turning all night.  
Black and blue, black and blue,  
Something wasn't right,  
She didn't get a wink of sleep all night!
  
- 2 Black and blue, black and blue,  
Something was there in the bed.  
Black and blue, black and blue,  
From her toes to her head.  
'I've had a terrible night!' the princess said.
  
- 3 Black and blue, black and blue,  
Tossing and turning all night.  
Black and blue, black and blue,  
Something wasn't right,  
She didn't get a wink of sleep all night!
